

# STEPP Search

Directions: Log in to Alaska STEPP. With a partner, follow each of the directions below.

1. Using the Navigation Toolbar, find the Demographics of the school.
2. Add a person to the School Team.
3. Delete a person from the School Team.
4. Find the domains of effective practice (curriculum, assessment, instruction, supportive learning environment, professional development, leadership) *Hint\*begin with the first step of the continuous improvement model*
5. Assess an indicator.
6. Create a plan and at least two tasks for the indicator that you just assessed.
7. Monitor the indicator that you've been working with.
8. Create a Task Report.
9. Create a Where are we Now? Report.
10. Create a new Meeting Agenda.
