The graduation rate target is 90% for the school as a whole and each subgroup with at least five students enrolled if the school enrolls grade 12. A school or subgroup with 10 or fewer students satisfies the graduation rate requirement if all but one of those students graduate. A school meets this target if either the four- or five-year rate meets these criteria.

English Learners	n/a	n/a	22.73%	54.52%	n/a	53.85%	64.62%

The graduation rate target is 90% for the school as a whole and each subgroup with at least five students enrolled if the school enrolls grade 12. A school or subgroup with 10 or fewer students satisfies the graduation rate requirement if all but one of those students graduate. A school meets this target if either the four- or five-year rate meets these criteria.

The graduation rate target is 90% for the school as a whole and each subgroup with at least five students enrolled if the school enrolls grade 12. A school or subgroup with 10 or fewer students satisfies the graduation rate requirement if all but one of those students graduate. A school meets this target if either the four- or five-year rate meets these criteria.
